

Heritage Lottery Fund: Future direction and funding

Richard Bellamy: Head of HLF in Wales, and Stephen Barlow: Development Manager, [Heritage Lottery Fund](#)

Heritage Lottery Fund (HLF) is consulting on its role, vision and funding priorities for the next five years.

A unique opportunity is now open for everyone who cares about the UK's extraordinary heritage to give their views on HLF's plans for the future.

HLF supports projects that range from restoring natural landscapes to rescuing neglected buildings: from recording diverse community histories to providing life-changing training.

We now want to know what people think of our role, vision and priorities should be as the UK's biggest funder of heritage during its next strategic funding framework – the period from 2019-2024.

The workshop will be an opportunity for participants to:

- find out more about the HLFs work in Wales; and
- discuss and contribute your early views on HLFs future direction.
